

You have a new ally in the fight against flies

Alpine® WSG

Water Soluble Granule Insecticide

Flies have met their match. To help prevent resistance development, include **Alpine® WSG** Water Soluble Granule insecticide in your rotational spray program*. This fast-acting solution has been shown to kill or knockdown 70% of flies in just 30 seconds. Its active ingredient, dinotefuran, has been granted Reduced Risk status by the EPA, both for use in public health and food handling establishments.
