# Essential Residential Solutions

For all the treatments your customers entrust to you, BASF offers the brands and expertise you rely on.

## Outdoor Maintenance & Mosquitos

**Fendona® CS**

Controlled Release Insecticide

## Indoor Maintenance

**Alpine® WSG**

Water Soluble Granule Insecticide

## Rodent Management

**Selontra®**

Rodent Bait

## Termite Management

**Termidor® HE**

High-Efficiency Termiticide

**Trelona® ATBS**

Annual Bait Stations

**Termidor® Foam**

Termiticide/Insecticide

## Active Infestations

**Ridesco™ WG**

Insecticide

**PT® Alpine®**

Pressurized Fly Bait

**PT® Alpine®**

Flea & Bed Bug Pressurized Insecticide

**Alpine® WSG**

Water Soluble Granule Insecticide

## Outdoor Maintenance & Mosquitos

### Fendona® CS

Controlled Release Insecticide

- Microencapsulated concentrate formulation
- Long residual and strong rainfastness
- Great for outdoor maintenance and mosquito treatments

## Indoor Maintenance

### Alpine® WSG

Water Soluble Granule Insecticide

- Kills social pests at the source through transfer
- Undetectable, non-repellent formulation pairs well with baits
- Great for indoor maintenance

## Rodent Management

### Selontra®

Rodent Bait

- Control infestations in 7 days or less<sup>2</sup>
- Rodents only eat enough bait for a lethal dose due to the stop feed action of the active ingredient, cholecalciferol, leaving more bait for other rats and mice<sup>3</sup>
- Poses a low risk of secondary toxicity to birds and mammals<sup>4</sup>

## Termite Management

### Termidor® HE

High-Efficiency Termiticide

- Reduces treatment time 50% vs. conventional applications<sup>1</sup>
- Less drilling and trenching required

### Trelona® ATBS

Annual Bait Stations

- Active protection with an annual inspection
- Strategic design leads to faster hits by termites
- Your business on your terms – no renewal fees, no data sharing, total ownership

### Termidor® Foam

Termiticide/Insecticide

- Easy-to-use formulation with proven efficacy for treating above-ground termites
- Expansion ratio of approximately 30:1
- Forms thicker, stronger cell than other foams and resist breaking

## Active Infestations

### Ridesco® WG

Insecticide

- Rapidly reduces active pest populations, including spiders, occasional invaders, and more
- Dual-active formulation
- Great for first time services, cleanouts, callbacks and events

### Alpine® WSG

Water Soluble Granule Insecticide

- Kills social pests at the source through transfer
- Undetectable, non-repellent formulation works well with baits
- Great for German cockroach and ant infestations

### PT® Alpine®

Flea & Bed Bug Pressurized Insecticide

- Three proven AIs that ensure fast knockdown and long-term protection
- Formulated to avoid soaking carpets and mattresses
- Ideal for flea and bedbug cleanouts

### PT® Alpine®

Pressurized Fly Bait

- Fast-acting, non-repellent aerosol bait kills flies in seconds
- No mixing, no mess; flexible application methods
- Use indoors and outdoors
