Three Great Brands to Support Cockroach Control Programs

Tectiva™

Cockroach Gel Bait

High-performance gel bait for controlling tough infestations

A highly palatable, dual-active gel bait that delivers fast relief and extends control deep into hidden populations.

Best fit for:

- Quickly gain control of cockroach infestations
- High-stakes accounts where fast results matter
- Reaching deep into hidden populations

Alpine®

Cockroach Gel Bait
Rotation 1 & 2 Reservoirs

Flexible gel baits for routine and rotational control

Two distinct gel bait matrices that provide flexibility to address feeding preferences and support rotation programs.

Best fit for:

- Rotating bait matrices
- Managing suspected bait aversion
- Supporting resistance management

Avert® DF

Dry Flowable Cockroach Bait

Long-lasting dry flowable bait for hard-to-reach areas

A dry flowable bait for cracks, crevices, voids and other protected areas where gel bait placement is difficult.

Best fit for:

- Reaching hidden or protected harborages
- Long-lasting performance between maintenance visits
- A dry bait formulation that can be used alongside gel baits
